

# My Ministry Interests *Connect. Enrich. Serve.*

Each one of us has special God-given talents and can use these special gifts to make disciples and meet the needs of people in our church, our community and our world. Rather than you sitting for hours at committee meetings, Aldersgate's programming ministries are directed by the Ministry Planning Team (MPT) and supported by ministry interest groups. These groups are made up of those who have indicated interest in helping in a specific area. When activities or projects arise, the MPT may call on you to help. With this approach, it is our goal to get you in hands-on ministry to enrich your life and the lives of others. Below you will find a list of these areas and several opportunities for hands-on service. Please review and check any/all areas in which you have an interest. The Ministry Planning Team representatives and clergy will be provided with these groups and may call on you as needs arise. We are glad you are a part of the Aldersgate family and look forward to serving together in Christ!

*Please fill out one form per person.*
